Who is Tearfund?

For 50 years, churches from all over New Zealand have partnered with Tearfund—putting faith into action to relieve poverty among the world's most vulnerable people.

Your quiz donation to *Where Most Needed* helps Tearfund meet the most pressing needs across their projects, whether that's:

- funding trauma counselling for survivors of human trafficking
- responding to natural disasters and crises
- improving families' livelihoods so they can become self-sufficient

Thank you for being a part of our work.
